I Remember – Noah

I remember when we were at the camp cutting caribou

I remember first tasting the meat

I remember it was good.

And after cutting the caribou we went back to the tent

And I remember giving the meat to my ananartsiak.

I remember she kissed me on the cheek.

I Remember - Tamusi

I remember hunting. I was alone and I lost where I was.

I remember canoe boating, seal.

I remember playing chess and always losing.

I remember cutting caribou

And getting drunk and passing out, waking up hungover.

I remember the ski-doo, hunting, fishing.

Hunting is hard work.

I remember summer holidays swimming by the beach.

I Remember - Tivi

I remember having a relationship
I remember walking around our community
I remember smoking weed at my place
And going hunting with grandpa at the camp

I remember hunting with Tamusi and Peter
And we caught goose and smoked weed
I remember catching 6 seals with my family
I even went hunting alone on my Honda
And I shot a caribou and cut it by myself.
Well done!

I Remember – Jacob

I remember smoking too much weed. I lost my mind.

I remember going hunting for 10 days in camp.

I remember when I killed the seal.

I remember when I flew in the sky.

I Remember – Andrew

I remember when I first played chess I did not know how to play
I remember I was learning step by step, never stopping learning
I remember the first time I won I felt incredible
I was young when I first played chess with my friends
I remember a friend taught me to play
And it took me a month to learn
I remember someone cheating and getting away with it
Even I tried to cheat, but he caught me
I remember laughing with a big smile when I cheated

Hockey – Noah

My favourite sport
Is hockey and I'm always
On the ice to win

During the Nunavik cup
Sometimes we did not win
Still, its good to try.

Westbrook – Tamusi

Foul, double dribble

Ly up, spin, swish one on one,

Up, down, jumping for the ball

Hockey – Tivi

Penalty shot,
Hockey night is my life
Short -hander is my best move

Favourite Sports - Tivi

Ping pong is second
High kick is my favourite
Soccer is the last

Lebron James – Andrew

I watch basketball

I like watching Lebron James

My favourite player

Superstition - Noah

“If a pretty girl crosses your path
she’ll give you a few years good luck.”
It’s because she gives you more love
to love more, your girlfriend.

Step on a Crack - Jacob

“Step on a crack, Snoop Dogg will be the coach.”
He will coach the LA football team in MVI.

Step On a Crack

- Tivi

“Step on a Crack, Eminem will die and I will die too.”

I love the music of Eminem. My favourite song is “I’m Not Afraid.”

Whenever I walk near the boys unit I go step away from the cracks.

Smell the Trees - Andrew

“Smell Maple trees in Toronto, wet the bed.”

The maple trees were too fragrant, it makes me wet the bed. The smell is so strong.

Reality or Superstition?

“When a fart howls, the #2 is near!”

At The End of the Rainbow - Tom

“At the end of the rainbow are crystals.”

The hunter was on the land. He was away for two weeks, far from home.

He was looking for caribou and instead he found crystals. He came home a rich man.

At the End of a Rainbow - Johnny

“At the end of the rainbow is good luck in Africa.”

It's good luck for Africa. They will get houses, roads and they will get good luck because of new riches and lots of money. They'll get coffee shops on every corner, Nike clothes and Adidas shoes, new glasses, that's it!

Collective Poem

“If a fuzzy blue caribou crosses your path, you’ll get stuck exactly where you are... forever.”

Tivi

I see the dog sled and I feel like going home
I see people walking on the world
I feel the hopelessness and I pay
I feel like writing a story with my friends
writing it in my journal
I feel like doing my school work in the the classroom

I miss my family and doing schoolwork
I see Canada geese and goose
In January I raced the dog sleds but I lost
I do games at Christmas and New years

The End

The Beach - Noah

I see beautiful girls wearing bikinis around the beach
I feel the heat of the sun
and I hear girls singing around me
I'm laying down on the beach chair
tasting the liquor and I smell the fresh air
Noah

I see beautiful girls wearing bikinis around the beach
I feel the heat of the sun

I'm laying down on the beach chair
tasting the liquor and I smell the fresh air

dark trees, mountain
I feel happy and everybody likes it

I wonder about my family
I hear waves lapping against the sand
I see geese flying

I touch my family
I worry about my siblings and parents
I cry for my grandpa and sometimes my family
I am motivated and friendly

I try to be a good person
I hope to have a great life with my girlfriend
I am motivated and friendly
